

Thank you!

Dear Peter

We would like to say a huge thank you for your generous donation, in memory of your wife Maaret, towards the Zululand Conservation Trust which will be allocated towards our Zululand Rhino Orphanage.

It is thanks to the generosity of donors such as yourselves that enables us to do the work that we do and with that we offer our heartfelt thanks along with the promise to provide our rhino orphans with all of the necessary care, love and protection that they need for as long as they are with us, until they can be released back into the wild one day.

Thank you so much for your support
The ZCT team

Zululand Conservation Trust

The Zululand Rhino Orphanage

Born out of necessity in 2017 in the wake of a tragic attack on a regional facility, the ZCT shouldered the financial burden and built a facility to accommodate the displaced animals from the facility which was forced to close down due to the security concern and threat.

The ZRO is currently home to 9 rhino orphans and is busy expanding so that we have the capacity to take in more animals should the need arise. These orphans, who rely on us heavily for the first two and a half years of their life, are provided with dedicated around the clock care, love and protection. Our ultimate goal is to rehabilitate these survivors and return them back to the wild where they belong.

To date we have successfully released 8 of our rhino orphans back into game reserves where they are thriving and living a completely wild life independent of humans.
